

Board Policy 6850 Transportation

The Board recognizes that transportation of District staff and students may be required from time to time and that this task is a safety sensitive function as defined in Board Policy 814.

Employees, students or volunteers using either District or private vehicles for District business must be properly insured and licensed. Private vehicles used for District business must be properly insured, currently registered, in safe and reliable working condition, and appropriate for the intended use.

The Board prohibits the personal use of District vehicles.
